The attacks against Tariq Khan continue. Please consider supporting him and reaching out to Urbana-Champaign's administrators. Tell them right wing smear campaigns cannot be tolerated or capitulated to.

"You wouldn't have known it by looking at any mainstream or left-leaning media sources before this week, but the right-wing outrage machine has been, once again, frothing and grinding its way toward securing another ritual human sacrifice. Over the past few months, right-wing media sources have been plastered with headlines like: "Instructor Arrested for Attacking Conservative Students," "Turning Point USA Members Attacked by PhD Student at University of Illinois," "Liberal Academic Arrested for Attacking Conservative Students," "University of Illinois Instructor Assaults Conservative Students," "Prof Takes Swing at Conservative Students," "Antifa College Instructor Attacks Conservative Students." At issue is an incident that took place on November 16, 2017 at the University of Illinois, Urbana Champaign (UIUC). But the stakes involved go well beyond the standard campus fracas over the alleged outer limits of free speech."

No Re-Turning Point, U.S.A. | Maximillian Alvarez
